

# Bill Sukolsky

PASTOR LIAISON

---

Bill retired at the end of 2021, after serving two Presbyterian congregations in southwest PA for a little over 40 years. He has been married to Karen for 45 years, with three married daughters and five grandchildren. He enjoys landscaping, fishing, and shooting.

In retirement Bill continues to meet with numerous people for prayer and conversation; does supply preaching in various congregations; and leads a home Bible study and engages in prison ministry on a weekly basis. His long-standing desire to support and encourage pastors has continued into retirement, and he looks forward to serving Christ in that capacity with the Center for Rural Ministry.”
